PLAY WITH YOUR MATH

Multiple Choice

Which of the following four statements, labeled **A** through **D**, are true statements?

A Statement **B** is false,
but statement **C** is true.

B Statement **C** is true,
but statement **D** is false.

C Statement **D** is false,
and statement **A** is false.

D Statement **A** is true,
and statement **B** is true.

When you think you've got it, write out your solution, put your name on it, and drop it in the submission box. For questions, see your math teacher. The best solutions will be featured on the Play With Your Math bulletin board.
